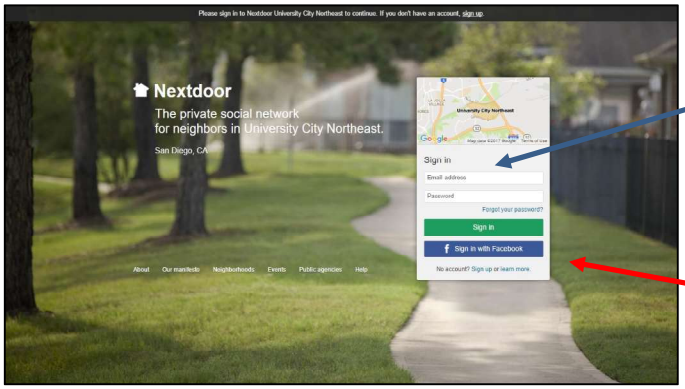
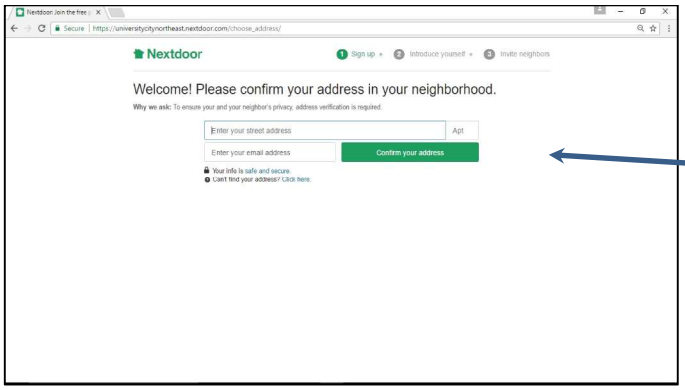
How to create and customize your Nextdoor account:

Go to **www.nextdoor.com**, click on the **sign up** link, verify your address, and create your account. Use invite code **ZEBMGQ** if asked. Go to the **settings** page to choose the frequency and types of updates you want to receive. Use the **nearby neighborhoods** link to personalize your neighborhoods. Go to **your profile** link to add a photo, bio or phone. Review screenshots below for more helpful hints. Contact University City leads Barbara or Diane if you need help: bggellman@yahoo.com or aherndiane@gmail.com. *Updated June 2017.*

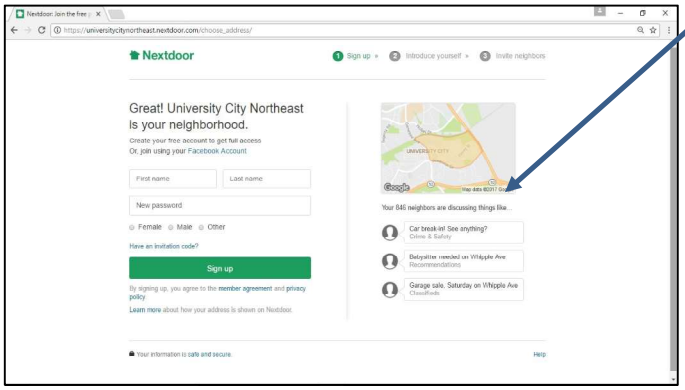


Existing Account? You can sign in with either Facebook ***OR*** your email address.

No Account? Create your account at **www.nextdoor.com;** click on the **sign up** link. Use invite code **ZEBMGQ** if asked.



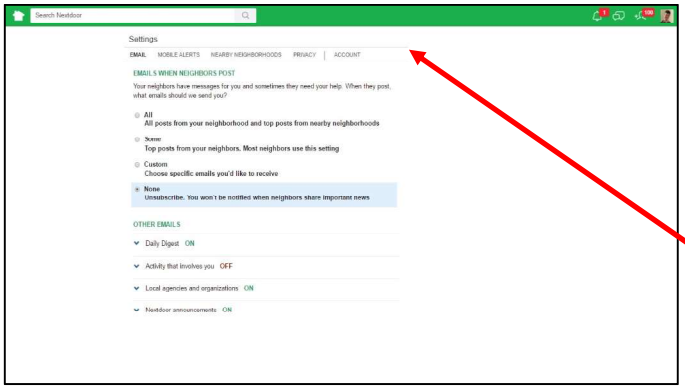
Address verification page: To ensure your and your neighbor's privacy, address verification is required.



Create a new account with either Facebook ***OR*** your email address.

PS: You do ***NOT*** have to be a Facebook user to sign up or sign in to Nextdoor.

PPS: In this example, the University City Northeast neighborhood is depicted because that's where Diane lives.



Update your profile: Go to **your profile** dropdown link (under your name) to upload a photo, your bio and/or contact info. You decide what you want to share with your neighbors.

Settings Page: On the **settings** page, choose **privacy levels,** and the **types and frequency of email/text notifications**.

Personalize your neighborhoods with the **nearby neighborhoods** link.
