## A Message from the UCCA President

By Barbara Henshaw

July 4<sup>th</sup> is a special day to celebrate the gift of Independence we inherited from our Founding Fathers and Mothers. Across the country in large cities and small communities, red, white, and blue will decorate the landscape. University City's U.C. Celebration is an example of that, thanks to the efforts by a small cadre of volunteers under the direction of Cathy Romanas. UCCA has played a role in helping underwrite the costs of putting on such an all-day, all-American celebration. The UCCA board donated \$1,000 this year and will also send many members as volunteers. Please check out the UCCA booth after you've run in the 5-K race or at least watched it, sampled the pancake breakfast, and spent the day visiting booths, seeing some entertainment, and attending the evening concert.

The newsletter you're reading this month is a combined July/August issue, so the next edition will come out in September. UCCA "goes dark" in August and there will be no board meeting, but please keep checking what's happening in our online news at [www.universitycitynews.org](http://www.universitycitynews.org) under the direction of Tanya Aeria.

Have a safe and happy summer.

## Neighborhood News . . . . .

By Sandy Lippe

UCCA has a community grant application that is due on August 1, 2010. The \$5,000 grant's intent is "to educate and enhance community awareness of the profession of landscape architecture as well as to provide a benefit to the community or environment." UCCA is looking for grant writers willing to help get this grant for our community so that we can beautify the medians and maintain them. Please call 858-945-2387 to sign on the committee. Thank you.

...Best wishes to our wonderful Sarah Anderson, recently engaged. Sarah has been Standley Center Director and is now a Park and Rec. area manager.

...Barbara Gellman is working on getting transformer boxes painted by artists to make the community more beautiful. Artists receive a stipend for their talents. If you have a business that can underwrite this project, please contact Barbara at [bggellman@san.rr.com](mailto:bggellman@san.rr.com). If you are an artist, please contact her also at 858-452-2326.

...The Air Force Band will be performing on July 11<sup>th</sup> at Standley Park from 5 p.m. to 7 p.m. Bring your picnic and a chair. Remember how wonderful the Marines were last summer.

...UCHS principal Mike Price has accepted a position as Area 6 Superintendent for La Jolla and U.C. high areas. UC community wishes him well in his new assignment.

...Last month's newsletter contained a photo of a cell tower disguised as a tree erected next to our library on Governor Dr. It was done without community input. The annual rental fee OF \$30,000 is going into the city's general fund and not being shared with the community.

...Postal Annex will be moving to a space near Beauty Kliniek sometime this summer.

...See you at the U.C. Celebration on July 4<sup>th</sup>. Celebrate Independence Day at Standley Park instead of fighting traffic outside U.C.

## IMPROVEMENTS COMING TO THE GENESEE/GOVERNOR INTERSECTION

by Larry Hogue

UC Ped/Bike Safety Task Force Co-Chair

Our community is making progress toward a safer intersection at Governor Drive and Genesee Avenue.

The Police Department made an immediate improvement, in the form of increased enforcement of full stops before vehicles turn right on red.

In early June, City Engineer Fred Goossens developed a set of recommendations that includes:

- signs stating "Turning Traffic Must Yield to Peds"
- straightened crosswalks that will improve sight lines
- "countdown timers" to show pedestrians how long they have to cross
- removal of median noses from the crosswalks
- ADA-compliant pedestrian ramps on the three corners that lack them

Unfortunately, funding is not available for the more expensive infrastructure improvements. Councilmember Sherri Lightner's office and our task force are looking at potential funding sources.

In addition, Mr. Goossens recommended that Standley Middle School educate its students on safe pedestrian crossing behaviors. The school has already been contacted about these ideas.

At a community meeting on June 9<sup>th</sup>, we heard clearly that the community wants longer pedestrian crossing times and lowered speeds on Genesee Ave.

Currently, the city allows less pedestrian crossing time than called for in federal guidelines. We're still in negotiation on this point. City Engineer Steve Denny told us there is no practical way to lower speeds on Genesee, but we're hoping to return to this issue in the future.

Improving safety on Genesee will be a long-term effort, but we've made a good start.

## Water Conservation is Mandatory

**E**ffective June 1, 2009, San Diego declared a Level 2 Drought Alert. Level 2 includes many mandatory water restrictions. In addition, all voluntary Level 1 conservation practices became mandatory. The Level 1 & 2 restrictions include, but is not limited to the following:

**Landscape irrigation is limited to no more than three assigned days per week. Those days are:**  
**Homes with odd-numbered addresses can water: Sunday, Tuesday & Thursday**  
**Homes with even-numbered addresses can water: Saturday, Monday & Wednesday**  
**Apartments, Condos and Businesses can water: Monday, Wednesday & Friday**

Between June 1 and October 31, on your watering days, **you may only water before 10 a.m. or after 6 p.m.** Landscape irrigation using sprinklers is limited to no more than ten minutes maximum per watering station per assigned day

(does not apply to drip, micro-irrigation, stream rotor, rotary heads, hose end sprinklers with timers or valves operated by a weather-based irrigation controller). All irrigation is banned while it is raining. Customers cannot use a running hose to wash down sidewalks, driveways, parking areas, tennis courts, patios or other paved areas, except to alleviate immediate safety or sanitation hazards unless that hose is connected to a water efficient device such as a commercial water broom. Restaurants and other food establishments shall only serve and refill water for patrons upon request.

**These restrictions are permanent and are now in place year-round. San Diego residents are encouraged to report water waste by calling the Water Hotline at (619) 515-3500. For more information go to [www.sandiego.gov/water/conservation](http://www.sandiego.gov/water/conservation)**

**F**ire season is here. Weeds need to be cut back. The fire department welcomes phone calls from residents concerned about Weed Abatement.

Call 619-533-4444. A weed abatement person will make a visit to the house. If you see a potential fire hazard in your neighborhood, call 619-533-4411. Fire hazards might include wood stacked close to the house, oil cans, or anything that might be fuel for a fire. Please, please do your part in U.C. to keep your front yards clear of weeds.

## RECEPTION FOR ASSEMBLYMAN NATHAN FLETCHER

**O**n Friday night, June 11th, a reception was held for our neighbor and community representative, Nathan Fletcher, at the home of Hugh and Mary Pates. Nathan is completing his first term in office and will be running for another two year term on Tues. Nov. 2nd, 2010.

Nathan shared with the audience the problems and opportunities he encountered in Sacramento as a first term legislator. In spite of the grueling hours and demands on his time, he found the experience to be very rewarding and is quite optimistic about the future of California. He is particularly interested in having a bill he authored, to be known as Chelsea's law, passed by the legislature in the near future. He believes this law will provide more and better protection for young women from potential attacks by sexual predators.

Nathan is a war veteran, a triathlon participant and the proud papa of a two year old toddler. Nathan and his wife live in University City. He can be reached at [asm.ca.gov/fletcher](http://asm.ca.gov/fletcher).

**U**niversity City resident, Sage Hagstrom, a junior at La Jolla Country Day School, broke the Coastal Conference Record in the 300 meter hurdles in a time of 39.81 seconds on May 6th, 2010. He went on to PR (Personal Record) at the CIF Prelims on May 22nd with a time of 39.56 seconds. Sage is ranked 10 in the county for the 300 meter hurdles. This is Sage's first year of running the hurdles. **Great job!**

## UC Little League News

**C**ongresswoman Susan Davis was the special guest at UC Little League's Closing Day ceremonies on June 12. Davis spoke about the value of youth sports and the dedication of the many volunteers. She helped hand out trophies and awards to the teams, including the Challenger team players. Besides all the fun for the kids, the adults had a chance to show their skills by participating in a Home Run Derby. Winners were: 1st place – Raul Neri; 2nd place – Andy Dhus; and 3rd place – Mario Rodriguez.

Congratulations to the players selected for our all-star teams. Go to our website, [www.ucll.org](http://www.ucll.org), for a complete list of teams and game schedules. UCLL is also proud to have been selected to host the Juniors Division All-Star Tournaments for the district and section, from June 26 through July 22. Come by McElroy field at UC Gardens Park (Governor & Gullstrand) to watch some exciting ballgames.

We've had some great weather lately, so it may seem too soon to think about Winterball, but think again! Registration starts July 4 at the UC Celebration from 11:00am to 4:00pm. Cost is \$45 (CAPS, Minors, Majors, Juniors), games are played on Sunday, teams inter-league within our district and no extra fundraising or snack bar duty required. Winterball is great for players moving up a division. Visit us at the 4th of July Celebration and look for the UCLL booth. Stay updated on the UCLL teams this summer by visiting our website, [www.ucll.org](http://www.ucll.org) or visit us on facebook.
