## 5<sup>th</sup> Annual Clean up May 13<sup>th</sup>

Dumpsters available for non-hazardous trash.

Volunteers needed to clean up areas in the community

Have you been wanting to get rid of some items around the house but haven't made it to the dump? Are you bothered by the weeds and trash in the community? Here's your chance to clean up around your home and help clean up our community. Participate in UCCA's fifth annual Clean Up Day. To get your assignment, come to Swanson Pool parking lot at 8:00 a.m. Bring gloves and rakes, brooms, or shovels. Sarah Leone of *I Love A Clean San Diego* and Marlene Mariani of *Keep California Beautiful* will provide trash-bags, gloves, and lots of help in publicizing this community clean up event. UCCA is grateful for their generous participation.

Debris Box of San Diego has donated two large bins in which residents

may place their unwanted, **non-hazardous** material. The bins will be located at the Swanson Pool parking lot from 8:00 a.m. – noon or until filled. The following items will **not** be accepted: **Hazardous materials including wet paint, motor oil, pesticides and herbicides; tires, construction materials such as bricks and concrete, dirt, and batteries.** To dispose of these items, call (858) 694-7000 to make an appointment at the Household Hazardous Waste Transfer Facility located at the Miramar Landfill entrance on Convoy Street, just north of Highway 52. **Televisions and computer monitors** will **not** be accepted either but may be recycled at the Miramar Recycling Center (858) 268-8971.

## Neighborhood News...

Belated birthday wishes to **Helen Mort** who recently celebrated her 101st birthday! .....Congratulations to UC residents **Syd Walsh and Judy Bethel** who were among 15 women from all walks of life honored as Remarkable Women Over 65 at a ceremony in Balboa Park on March 31<sup>st</sup>...Kudos to **Spreckels School** for bringing a certified Farmers Market to UC Saturday afternoons. ## Doyle, Spreckels Students Win Essay Contest

### Junyi Wu will compete citywide

The UC Friends of the Library invited students from our local elementary, middle and high schools to participate in the 2006 Student Writing for Literacy Essay Contest sponsored by Friends of the San Diego Public Library, San Diego Public Library and San Diego City Schools Library Media Teachers. The contest was open to students in grades 4, 8 and 10 attending a school served by the San Diego Public Library system. Topics for essays were: *If I were stranded on a desert island, the book I would like to have with me would be \_\_\_\_\_ by \_\_\_\_\_ because.....; The library is a valuable resource for people of all ages in my community*

### President's Perspective...

As is usual for me early on a Sunday morning, I was quietly reading the local Sunday paper. Suddenly, my reverie was shattered by unusual screams coming from out on my cul-de-sac. I raced to the door and saw that a fire had just started in the home directly across from me. The youngster and his babysitter who were in the home were safely evacuated and were taken in by a neighbor up the street. My next door neighbor, John Schnabel, wanted to douse the early flames with the hose attached to the front of the home. The police, being in the neighborhood at the time, arrived quickly and restrained him from his heroic efforts.

The fire engine from U.C. arrived within ten minutes. The firepersons said they were lucky that there was little or no traffic on Genesee, due to it being early on a Sunday morning. Other units arrived from Clairemont, La Jolla and Kearny Mesa. The firefighters were able to contain the flames and limit the fire from engulfing the entire home. Fortunately, the wind was blowing to the Northeast, so the flames did not spread to the homes on either side of the house on fire. The whole scene was a very scary experience for all of the neighbors living on the street. There were many "what ifs" exchanged between us.

One of the thoughts that continually passed through my mind in the days

*because.....; Discuss the library's role as a link to information.*

We were very pleased to receive essays from Doyle and Spreckles schools, and the overall winner was Junyi Wu from Mr. Barringer's 4<sup>th</sup> grade class at Doyle school. Other winners were Jenne Ratto-Murray, Doyle school, Molly Schnaubelt, Emily Wheat and Malik Vidarsson from Spreckles school. Junyi Wu's essay is entered in the citywide essay contest, and three grand prize winners will be announced at a ceremony to be held May 4<sup>th</sup> in Balboa Park. This contest supports The California Content and Performance Standards for Literacy.

after this incident, was the importance of having a prepared and ready CERT {Community Emergency Response Team} in our community. This is the group that will assist with the evacuation and immediate needs of the community in case of an emergency, such as a large fire, earthquake or other possible catastrophes. If you are interested in becoming a member of our UC CERT team and receiving the training to be a member, please contact [www.CERTsandiego.org](http://www.CERTsandiego.org) to get the necessary information. The more people in the community who are a part of this group, the better prepared we will all be and the more likely we are to successfully avert a communitywide tragedy.

In this issue we are listing the names of new members who have recently joined our Association. We would like everyone in the community who reads this newsletter to know of their neighbors who have generously contributed to support the efforts of the Association to create a clean, safe and beautiful neighborhood. Their contributions also make it possible for all community members to receive this newsletter. If you have not yet joined or renewed your membership in UCCA, please fill out the form in this newsletter. A little from many allows the Association to continue its efforts for all.

Hugh Pates

## Another Milestone for the UCCA Newsletter

When something special has been achieved, it's often fun to look back and see how things got started. It's a special pleasure when it comes to this newsletter. When the UCCA newsletter was first discussed at the April 2002 meeting, there was a collective gasp when it was announced the first issue would be delivered throughout University City the following month-neighbor to neighbor-by volunteers. Fortunately, several in attendance signed up to help; and with friends pressed into service, a mighty group of 16 volunteers delivered our first two page newsletter throughout the community in May 2002. It was not an easy task; but it was exciting to see the impact, and it fueled our determination. The number of volunteers grew each month. Many commented how nice it was to reconnect with people they hadn't seen for a long time and to meet their neighbors. Some of those first volunteers continue to deliver today! At the same time, businesses responded to our call for support

through advertising. Again, some of the first to place ads continue to advertise.

Today, we deliver 10 issues per year and have over 100 volunteers involved-all playing a part in improving communication in our community. To each and every one of you who sort and coordinate delivery, deliver door to door, advertise, contribute articles and information, a huge THANK YOU. Together, YOU make the newsletter possible. Paradise Printing, thank you for always meeting our deadlines.

Our volunteers range from moms with toddlers, to teens, to octogenarians. If you would like to get involved, why not sign up to sub if you can't deliver on a regular basis. Help is needed throughout the community as people move, vacation or are ill. If you have graphic arts or writing talent, consider helping with newsletter production. Email [caroleucca@sbcglobal.net](mailto:caroleucca@sbcglobal.net) to volunteer. Let's continue to work together and build community.

## Did You Know?...

...At press time, we were told the long awaited **EIR** (Environmental Impact Report) on the seven alternatives for the **UC North South Transportation Corridor (Genesee Av./Regents Rd)** is on track to be released the end of April or beginning of May. There will be a 30 day review period following the release of the document, and a public hearing will be scheduled before City Council...

... You should be able to sustain yourself and your family for 3 days following a disaster. The **CERT (Community Emergency Response Team)** program is a nationwide program designed to help ordinary citizens prepare for survival in the event of emergencies, disasters or terrorist attacks. The San Diego Fire Rescue Dept. began offering CERT training following the Cedar fire in 2003. The goal is to have 50 member CERT teams in each community. **UC's CERT** is growing but needs more volunteers. Funding has been extended, and classes will be offered in the fall. You can sign up now. Visit [www.certsandiego.org](http://www.certsandiego.org), email [cert@sandiego.gov](mailto:cert@sandiego.gov) or call **619 533-3075** for more information. As a CERT volunteer, you'll take care of yourself and your family first, then your community. You'll learn practical and valuable life saving measures from putting together a disaster plan and supply kit to light search and rescue and disaster response organization skills...

...The **City** has been holding a series of **public hearings** on the proposed **budget**. The remaining hearings will take place at the City Council Chambers, 202 C St. 12<sup>th</sup> Floor, on the following dates:

...**Wednesday, May 3, 9:00a.m.-Noon**  
*Overview of the budget and public comment on Parks & Recreation and Libraries and 2:00pm – 6:00 p.m.*  
*Community & Economic Development*

...**Thursday, May 4<sup>th</sup>, 9:00a.m.-Noon**  
*Public comment on Public Safety, Water, Planning, Development Services, and Engineering & Capital Projects and 2:00p.m.-6:00p.m.*  
*Special Promotion and TOT*

...**Friday, May 5<sup>th</sup>, 9:00a.m - Noon**  
*General public comment...*

## \$71,000 Awarded to University City Public Schools at EdUCate! Friendraiser Event

EdUCate!, the University City Foundation for Public Schools, has announced the award of 46 educational grants totaling \$71,000 in response to teacher requests from Curie, Doyle, and Spreckels elementary schools, Standley Middle School, and University City High School. This is the 13<sup>th</sup> year that EdUCate! has funded requests amounting to more than half a million dollars in awards to the five public schools. The grants were awarded on April 22<sup>nd</sup> at EdUCate!'s fifth annual Friendraiser which showcased the five schools and provided a venue for the community and EdUCate!'s loyal supporters to see the wonderful programs at the schools and their EdUCate! dollars at work. The Grants Award Ceremony, along with the Honor-A-Teacher Program recognition, took place at UC High School. This year's activities included student performances; a showcase of student academic and art work; class-

room demonstrations; games, activities, and food sales to benefit the schools; Teacher Wish Lists that attendees fulfilled; and a special performance by the five talented principals.

Of this year's grant awards, \$25,256 was awarded in the **Language Arts** category for items such as poetry programs, classroom and school library enhancement, tape players and books on tape, take-home reading programs, and supplemental materials for English Language Learners. In the **Science & Math** category, \$10,487 was awarded for the creation of a science pond, microscopes, science kits, a science library, and math supplemental materials. In the **Humanities** category, \$6,719 was awarded for interactive history programs, history and social studies DVD's, and history textbooks. In the **Fine Arts** category, \$6,833 was awarded for new band uniforms, art instructional videos, and art supplies. (...cont on page 6)

## UC Celebration a Favorite Community Event

The 4<sup>th</sup> of July and the UC Celebration are just two months away, and the committee is working hard to make this another Celebration to remember. There will again be a Pancake Breakfast, Bike Parade, Ponies, and a Beer Garden. The Chess Set will entertain in the evening concert.

Volunteer commitments are needed to ensure a successful event. If you would like to help, please contact Pat Neugebauer at 858-453-4186 or

Kenithn@aol.com.

Groups interested in reserving a booth should contact Joe McLaughlin at Joe@HomesofSanDiego.com or 858-558-8987. Those wishing to sell food must reserve before May 1, 2006.

In addition to volunteers, sponsors and donations are also needed. If you know of interested companies or groups, contact Andy Freeburn at AndyFreeburn@Century21Award.com or 858-336-4437.

## EdUCate! Grants Awarded

...(cont from page 3)

In the **Classroom Technology** category, \$20,781 was awarded for computers, document cameras, projectors, and DVD players. In the **Physical Education** category, \$1,000 was awarded for kindergarten play equipment.

A non-profit organization made up of community volunteers, EdUCate! has the goal of improving the quality of public education in the University City community by funding supplemental resources that otherwise cannot be provided because of state and district financial limitations and budget cuts. EdUCate! raises the majority of the money by producing the annual Taste of the Triangle which features many

fine area restaurants and a very popular Silent Auction. Funds are also raised through the foundation's Honor-A-Teacher Program and the Friendraiser, the annual showcase of the five schools. Additionally, the foundation is augmented by the generosity of private donors and corporate sponsors such as the Marketplace in University City / Evans Hotels, Washington Mutual Bank, the San Diego Marriott La Jolla, the La Jolla Golden Triangle Rotary Club, Ann Wille & Associates Real Estate Brokerage, and Caryl Lees Century 21 Award. For more information about EdUCate!, visit the foundation's website at [www.uc-educate.org](http://www.uc-educate.org).
