

NEIGHBORHOOD WATCH KEEP IT SIMPLE TIPS*

Courtesy of University City Community Association (UCCA), February 2015, reviewed January 2016

- Get to know your immediate neighbors and share contact information
- Know where to turn off your main gas and water lines. Know where your neighbors' main lines are, too
- Keep the *Useful Phone Numbers* list near a phone
- Keep a log and document problems
- When you report a problem to the San Diego Police Department, be sure to get a case or incident number
- Share crime prevention tips, alerts, and other information with Nextdoor neighbors
- Should you have questions, contact your Neighborhood Watch Block Captain
