

## 2016 TEEN TECH WEEK™

CREATE IT AT   
YOUR LIBRARY!

**March 7, 2016**

@

**3:00 pm**

**March 8, 2016**

@

**3:00 pm**

Enjoy the Green Griffins demonstration about robotics. Learn about building robots, how to drive robots, and how to join or start a robotics team of your own.

Teens join us and make some LED Throwies, which is an inexpensive way to add color to any magnetic surface.
