

# SANDAG MID-COAST TROLLEY PROJECT

## CONSTRUCTION OPEN HOUSE

Initial rendering of Nobel Drive Trolley Station (design in progress)

### THE LA JOLLA COLONY COMMUNITY IS INVITED

#### WHAT:

Construction will begin soon on the Mid-Coast Trolley Extension, which will bring trolley service from Old Town to UC San Diego and Westfield UTC. The new extension route will head north from the Old Town Transit Center, hug the east side of I-5, cross under Gilman Drive, and then continue past La Jolla Colony before crossing over I-5 just south of the LDS Temple.

At the invitation of the La Jolla Colony HOA, the San Diego Association of Governments is holding an informational open house about the trolley extension and its upcoming construction.

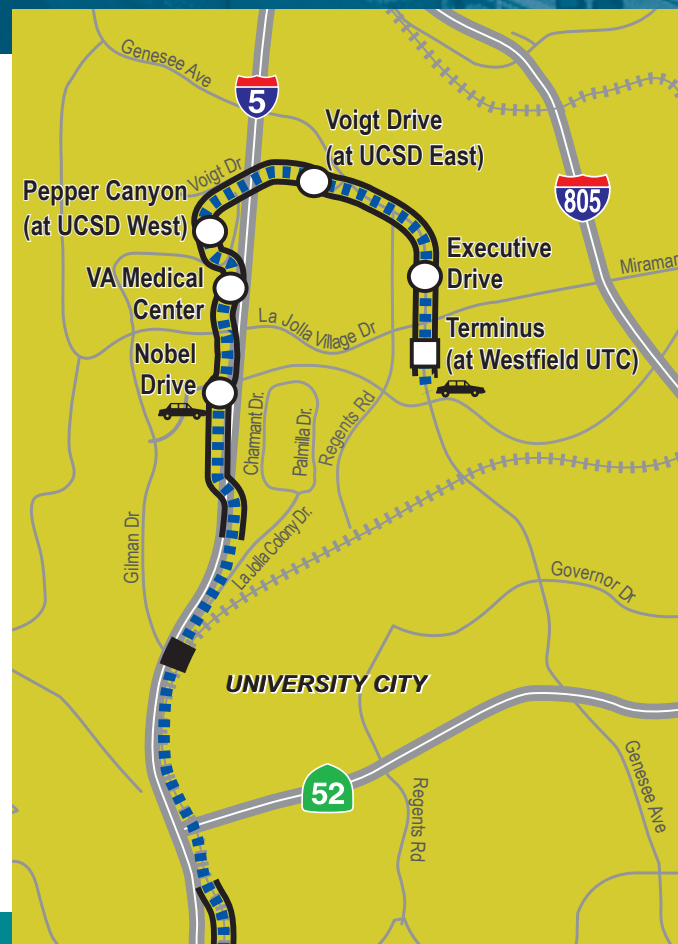

#### WHEN:

Tuesday, March 29  
6:30 to 8:30 p.m.

#### WHERE:

Doyle Recreation Center Multi-Purpose Room  
8175 Regents Road, San Diego, CA 92122

- Utility relocation work has already begun
- Major construction expected to start later this year
- Trolley service to begin in 2021
