About UCCA

Dear Friends of University City:

The University City Community Association is up and running again after being dormant for several years. ♦ We invite you to participate and support the community we love. (See [application form](#)).

It's only \$15 per household per year and it pays for sponsorship of many community projects and organizations.

The UCCA provides and promotes civic, cultural, social, educational, and recreational opportunities for residents and is a voice of the community. We hope you are enjoying the new banners on Governor, Regents, and Genesee. Thanks to the generosity of \$10,000.00 from International City Bank President Jane Netherton and \$1,000.00 from the U.C. Recreation Council and a matching grant of \$1,000.00, the banners are promoting our theme, ♦ "University City is more than a neighborhood."

A new garden club has formed with long range goals of sharing ideas on home gardens and improving the landscaping on Governor Drive. Many talented novice and experienced gardeners are gathering to share ideas during monthly meetings at the First Baptist Church.

UCCA will sponsor a [community clean](#) up project in May at Standley Park. Because communication is critical to the community, UCCA is planning to send out a monthly newsletter. Besides that, we are blessed to have a new website: ♦ UniversityCityCA.com.

Support your community association by attending meetings and becoming a member at \$15.00 a family. (See [application form](#)).

UCCA meets the 3rd Thursday of the month from 6:30 p.m. until 7:45 in the [UC Library](#).

[The University City Garden Club](#) meets the 4th Thursday of the month from 6:00 p.m. until 7:30 at the First Baptist Church, located at 5055 Governor Drive.

How can you help the community that helps you?

Participate as a sponsor for U.C. Celebration. We hope some U.C. businesses will sponsor the fire engine at the U.C. Celebration for the good of the community children. [Newsletters](#) cost a lot of money, as you know. Help us launch a means of communication for the whole community by helping to underwrite this newsletter. Sign

up to help at our clean up day in May. Do you know a business who would sponsor one of the concerts in the park? Help us bring a [Farmers Market](#) to University City.

Call or email UCCA at slippe@san.rr.com or 453-2387.

"The road to success is always under construction."

University City is more than a neighborhood. Everyone benefits from supporting UCCA.

Very sincerely, Sandy Lippe,
UCCA president and local resident for 30 years

Join the volunteers who serve as board members of UCCA:

- *Sandy Lippe: president, local resident for 30 years
- *Carole Pietras: vice president and political liaison, local resident for 30 years
