How to create and customize your Nextdoor account:

Go to **www.nextdoor.com,** click on the **sign up** link, verify your address, and create your account. Use invite code **ZEBMGQ** if asked. Go to the **settings** page to choose the frequency and types of updates you want to receive. Use the **nearby neighborhoods** link to personalize your neighborhoods. Go to **your profile** link to add a photo, bio or phone. Review screenshots below for more helpful hints and/or visit the Nextdoor **help** section. Contact University City leads Barbara or Diane if you need help: bggellman@yahoo.com or aherndiane@gmail.com. *Updated January 2018.*

**Existing Account?** You can sign in with either Facebook *OR* your email address.

No Account? Create your account at **www.nextdoor.com;** click on the **sign up** link. Use invite code **ZEBMGQ** if asked.

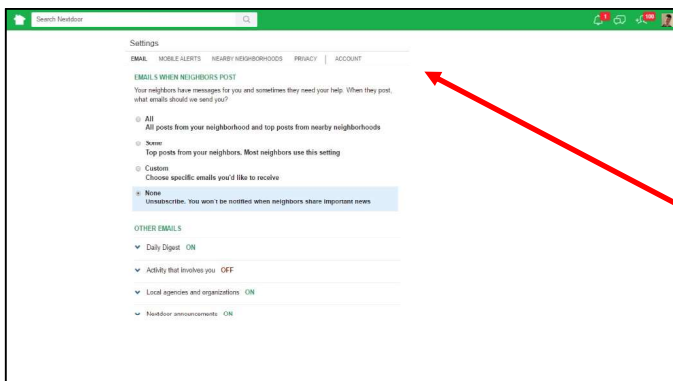

Address verification page: To ensure your and your neighbor's privacy, address verification is required.

Create a new account with either Facebook *OR* your email address.

PS: You do *NOT* have to be a Facebook user to sign up or sign in to Nextdoor.

PPS: In this example, the University City Northeast neighborhood is depicted because that's where Diane lives.

Update your profile: Go to **your profile** dropdown link (under your name) to upload a photo, your bio and/or contact info. You decide what you want to share with your neighbors.

Settings Page: On the **settings** page, choose **privacy levels,** and the **types and frequency of email/text notifications**.

Personalize your neighborhoods with the **nearby neighborhoods** link.

Help Page: Find many tips in the **help** section on how to use and manage your account. And don't forget to download the **free app version** of Nextdoor for your mobile device.
