

Love Classic Cars? You'll Love This Turkey Trot!

The [San Diego Model A Ford Club](#) will be cruising University City via Governor Drive

Saturday November 14th - 10:30-11:30am.

We'll be driving Model A Fords from the 1928-1931 era.
Watch from your driveways and balconies and we'll honk our AHOOOGA horns!
Driving these cars brings us joy and we hope it brings joy to you too!

The Club must abide by CDC guidelines for Covid 19, so we will be touring through UC, not stopping, to maintain 6-ft social distancing with our members and the public.
If you plan on watching the drive-by cruise, please abide by CDC guidelines.

Turkey Trot Route begins in Clairemont where we will go North on Clairemont Blvd/Regents Road, West on Governor, then South on Stresemann passing by Marcy Park, and then head back East on Governor, passing Standley Park. We will proceed East on Governor to the senior living housing on Kantor and Gullstrand Streets. We will then head back West on Governor and turn North onto Genesee. We will turn left on Decoro and end up in the La Jolla Colony area.

Happy Thanksgiving Everyone!
