

Honorable Board Members,

My name is Thomas Feerick. I am submitting my candidacy for District 1 representative. I was born and raised in District 1. I have happily made my home here for over thirty years and intend to raise my own children here. I attended Curie, Standley, and University City High School. I have been a practicing attorney for the last six years. My specialty is public works construction litigation and real estate planning, zoning, land use, and commercial development. I am also a real estate broker. I have advised clients—both contractors and public agencies—on hundreds of matters relating to many of the issues that come before the Board, and personally attend City Council meetings at which these matters are heard. In my professional life, I have extensive and intimate dealings with Federal, State, and Local government agencies concerning public/private works projects and land use issues both within and without our community. My professional expertise, coupled with my personal adoration of our community, will be an invaluable addition to the Board. I will endeavor to maintain the integrity of our community, which helped make me into who I am today. Thank you for your consideration.
