Revised!

University City Community Association (UCCA) will meet on Wednesday, November 9, at 6 PM via Zoom. This is a community meeting and all are welcome. We'll have updates from public safety, planning group, community, and legislative representatives including city council, county, state and federal representatives. UCCA meetings also provide a public forum, announcements, and UCCA committee reports.

Why does UCCA host public meetings? It's part of UCCA's mission … to provide a forum (print newsletter, website, public meetings, community outreach, event support, etc) where the interests of residents may be expressed and contributions made to the protection of life and property in the community.

Preliminary Agenda: If you have an agenda item to share or wish to speak during Open Forum, please contact us at UniversityCityNews@gmail.com. The Zoom information is at the end of this post. Please note that all times listed are subject to charge. Tonight's special guest will be City Council member Joe LaCava. Preliminary agenda items include:
