- Organic Waste Recycling - Green Recycling rollout in University City – for those who receive City ESD pickup on Mondays, the rollout is expected in June/July 2023. Reference: sandiego.gov/environmental-services/recycling/sb1383
- Pure Water construction in University City -
 - Currently - Crews are working on integrating the traffic control at Towne Centre and Executive, and that work is scheduled over the next week or so. Then, crews will be working on Towne Centre and Executive for around 6-8 weeks, and that is scheduled as day work.
 - Coming Soon – Work on Genesee in University City. The Genesee traffic control plan is currently being reviewed by the City. Work will commence once the traffic control plan is approved. There will be a community meeting focused on Genesee, hopefully before work begins.

- UCCA Membership – Thanks so all who have already joined UCCA for 2023. Membership cards and a thank you gift to members will be mailed this week and you should get your membership envelope next week. For those who haven't had a chance to join up, there is information on our website at UniversityCityNews.org

- MCAS Miramar has announced that the Air Show will return in late September. Construction is underway on base to build new F-35 aircraft hangers. Because of ongoing construction, there will be fewer visiting squadrons scheduled to train at Miramar this year and that may result in fewer training operations this year. However, there are more VIP visits scheduled this year so we may see more larger aircraft due to the VIP activity. Commanding Officer CI Bedell is expected to visit with UCPG sometime this year to give a community brief.
