Stay Informed – Knowing Where to Get Information

Compiled by the University City Fire Safe Council 11/16/2026

Staying informed is essential to successful emergency preparedness:

- **Listos California** - For community members who want to be Ready for Disaster and to get resources to share with neighbors: listoscalifornia.org
- **Aging and Independence Services** - For older adults, persons with disabilities, families and caregivers, get help now to prepare for future emergencies: sandiegocounty.gov/content/sdc/hhsa/programs/ais.html

Visit these resources and use the smart phone apps for information on current and emergency incident updates:

- **Alert San Diego** – Get safety information delivered directly to your phone: alertsandiego.org
- **Genasys Protect** - Turn on your location to get notified about danger and evacuation orders wherever you are: genasysprotect.com
- **KOGO 600 AM** – Local radio news
- **Pulse Point** – Local fire department response: pulsepoint.org/download
- **Watch Duty** – Wildfire alerts: app.watchduty.org
- **National Weather Service** – Current and forecast weather: weather.gov
- **Alert California (UCSD & SDGE) Cameras** – Current conditions: ops.alertcalifornia.org
